

Applicants would like to correct certain typographical errors in the amendments in order to ensure that the correct amendments are made to the specification. In particular, Applicants would like to correct the amendments identified at (G), (H), (K) and (M) in the Examiner's Amendment. Those amendments should read as follows:

**Specification**

(G) [0009], lines 1 and 2, "having the features of claim 21" should be deleted.

(H) [0009], line 2, "having the features of claim 37" should be deleted.

(K) [0009], line 6, "having the features" should be deleted.

(M) [0024], lines 1 and 2, "having the features of claim 37" should be deleted.

Applicants respectfully request that the amendments above be replaced for the respective amendments made in the Examiner's Amendment. Basis for the above amendments is found in Applicants' Supplemental Response filed on February 22, 2010.

**TITLE OF THE INVENTION**

The Title of the Invention appearing on the Notice of Allowance is wrong. The correct title, which is also included on the face of this document, is "**Method for Shaping a Metallic Flat Material, Method for the Manufacture of a Composite Material and Devices for Performing These Methods**". The incorrect title first appeared on the Filing Receipt for this application, and Applicants twice requested that the Filing Receipt be corrected (*see* Exhibits A and B). Applicants have not yet received a corrected Filing Receipt as requested.

Applicants respectfully request that the Title of the Invention be corrected in the Notice of Allowance to read as set forth above, so that the correct title is printed on the face of the
